Battling the strange epidemic "I could be dead tomorrow. Or something worse than dead." Jane Hawk knows she may be living on borrowed time. But as long as she's breathing, she'll never cease her one-woman war against the terrifying conspiracy that threatens the freedom--and free will--of millions. Battling the strange epidemic of murder-suicides that claimed Jane's husband, and is escalating across the country, has made the rogue FBI agent a wanted fugitive, relentlessly hunted not only by the government but by the secret cabal behind the plot. Deploying every resource their malign nexus of power and technology commands, Jane's enemies are determined to see her dead . . . or make her wish she was. Jane's ruthless pursuers can't stop her from drawing a bead on her prey: a cunning man with connections in high places, a twisted soul of unspeakable depths with an army of professional killers on call. Propelled by her righteous fury and implacable insistence on justice, Jane will make her way from southern California to the snow-swept slopes of Lake Tahoe to confront head-on the lethal forces arrayed against her. But nothing can prepare her for the chilling truth that awaits when she descends the crooked staircase to the dark and dreadful place where her long nightmare was born. ...more [The Crooked Staircase \(Jane Hawk, #3\) PDF ebook](#)
